## Tournament Rules

The Tournament will generally abide by the Rules and Regulations set forth by the International Kendo Federation (FIK), with the following supplements:

Tournament Format:

3-Person Kachinuki Team Tournament

Participants will form 3-person teams of Senpo / Chuken / Taisho

Teams can be formed by participants of different dojos or federations to compete in one (only one) of the divisions set forth below

Each match will be **3 minutes**, Sanbon-Shobu with the winner remaining onto the next match

**Time between matches:** Competitors are permitted **30 seconds of rest** between matches.

**Ties / Hikiwake:** Generally, ties will result in the match ending in a draw, thereby proceeding to the next two players on each team, **except** for the following:

- Taisho vs Taisho: In the event the Taisho on both teams are tied after the 3 minute shiai match, the match will directly move into Encho (Ippon shobu)

- Senpo/Chuken vs Taisho: If the Senpo/Chuken of one team ties the Taisho, such match will end in a draw, thereby resulting in the team with remaining players being determined the winner (except for Semi-Finals/Finals)

**Final and Semi-Final rounds:** In each of the semi-finals and final matches, **the Taisho must lose** in order for the match to be determined. Accordingly, the Taisho cannot be eliminated by tying / hikiwake, and if there is no point scored in the allocated time (and a Taisho is playing) the match will enter Encho (Ippon Shobu).

Additional Rules:

Team orders cannot be changed

COVID Separation Rule will be in place

No Tsuki or Jodan for competitors under 16 years of age and/or Shodan

Mens/Womens division is open to all ages and rank. Kenshi under the age of 18 will require approval of the dojo head instructor. Age is determined as of March 1, 2026
